The Secretary is kept once a month the vacancies and the proposals for filling them should be submitted by the Dist for the sanction of Govt.

This is not being done; and consequently the amount allotted is not spent but is credited to the funds of the institution. This state of things should continue as by so doing the very object of giving relief to poor people is frustrated. This may be pointed out to the Dist — and he may be asked to report back. Submit this every month.

his order may be so that we may modify it later on — better arrangement being made

If it is brought that there is no necessity to report to Govt — and that the local officers may fill up the vacancies themselves, they may be considered in connection with the proposal of the Deccan to place the Members under the City Magistrate of Bangalore. I should then submit a note on that case.

Now the Dist's proposals may be sanctioned. The list does not contain the name of Jabida Bi a petition on whose behalf has been forwarded by the Dist for report. As it remains therefore not known whether she is entitled to help.

As regards the Vacancy of Rs. 2 on the Dist may be asked to take Indian Amiths

to and for the Local applicants and select the most deserving. Though Municipal Commissioners have adopted resolutions in their favour, the matter has been referred to Government.

A cripple, the only support of her widowed mother by name Puttamadamma has applied to me for help. She is a Brahmin girl. She can not walk; and has no relatives to maintain her. She has also to depend on others for help as she is not able to walk and could not support herself — except of my proposal to give to Nanjangud where for 2 years in the Municipal limits she may get free vacancy in R 2.
